INFORMATION.

CHARACTER.

Candidates are required to furnish evidence of their good moral character, and if from another college, a regular dismission or letter of request.

AGE.

Sixteen years of age are requisite to admission: the candidate enters, however, any class for which he is qualified.

PAYMENT.

There are three terms of study in each year, and the expense of each is paid in advance. Students, unless from another college, entering the Freshman Class, pay $5 00; the Sophomore $7 00; the Junior $9 00; and the Senior $12 00, which is the only retrospective expense incurred by entering in advance.

GUARDIAN.

All moneys intended for the use of students are required to be transmitted to the College Register, who acts as fiscal guardian in their behalf, and transmits to each parent, at the end of every term, a detailed account.

ANNUAL EXPENSE.

College Bills, and Board in the Hall, from	$105 00 to $115
Fuel and Light,	8 50
Washing,	6 00
Total, about,	$120 00

Students boarding out of the Hall, and students remaining in vacation, incur an additional expense for board.

The expense for clothing and pocket money, will vary according to the economy of individuals. A student who remains in vacation, may, with *strict* economy, clothe himself and pay all his other bills with less than $200 00. A student not strictly economical, and who travels in vacation, will require from $ to $

CHARITY STUDENTS.

THEIR ANNUAL EXPENSE.

College Bills, and Board in the Hall, about,	$60 00*
Wood and Light,	8 50
Washing,	6 00
Total,	$74 50

*The price of board and fuel necessarily varies. In the Hall, board is now

RESIDENCE.

Rooms are assigned the students in the same edifices that are occupied by the President and Professors, and their respective families.

INSTRUCTION.

The classes are divided into Sections, according to attainment or choice of studies, and the several Sections are instructed by the President and Professors.

GOVERNMENT.

The Government is, for the most part, parental and preventive, and devolves on the President and resident Professors. Those students who do not cheerfully submit to it, are silently dismissed.—No student is allowed to visit Taverns or Groceries; to be out of his room at night, or to go out of town at any time, without permission; nor is any society allowed to hold its meetings at night.

EXERCISE.

Athletic exercises are encouraged, and ample grounds are furnished free of expense, for those who prefer devoting their hours of recreation to Agricultural pursuits.

COMMENCEMENT.

Commencement is on the Fourth Wednesday in July; after which there is a vacation of six weeks.

VACATIONS.

There are two other vacations, the one in December, the other in April. The Seniors have no additional vacations, nor are there any holydays. It is desirable that students should either return home, or visit their friends during the vacations. And when parents cannot provide for this, the faculty should be apprized of it, that arrangements may be made in season to secure for them a proper residence.

MERIT ROLL.

An accurate and daily account of the deliquencies of every student and also of the degree of his attainment, in conduct, scholarship and attendance, is kept, and the summing up of these items determines the place of each upon the MERIT ROLL; a copy of which items is transmitted to the parent.

EXAMINATIONS.

A committee is annually appointed, who examine the several classes publicly, at the close of each term, and make a written report thereof.
